

---

## Truck features:

- For simple mobile weight indication: on board lorries, at goods receptions, determining shipping weights, avoiding overload, approximate pallet weights.
- Equipped with Quick Lift function as standard.
- A perfect combination of quality and reliability, easy to serve and very user friendly.
- Greasable bushings ensure a long service life.
- Many wheel options to optimize the wheel resistance for different flooring material.
- The robust forks are made in one piece, and the rounded fork tips makes it easy to move in and out of pallets.
- This product has been environmentally declared.
