Technical sheet :

## MLT 1041-145 PS+L

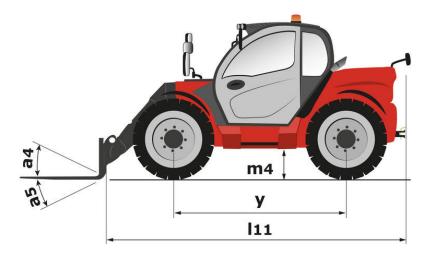

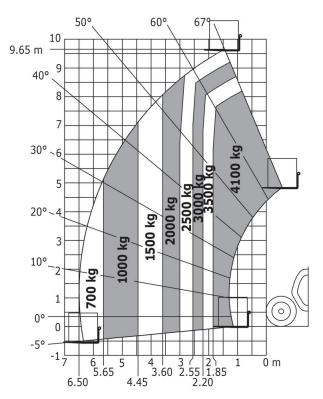

|  | MLI 104 | 1-145 PS+L - Cleated off To Febluary |
|--|---------|--------------------------------------|
| Capacities   |         | Metric                               |
| Max. capacity  | Q       | 4100 kg                              |
| Max. lifting height  | h3      | 9.65 m                               |
| Max. outreach  | r1      | 6.50 m                               |
| Reach at max. height   |         | 1.50 m                               |
| Breakout force with bucket   |         | 5043 daN                             |
| Weight and dimensions  |         |                                      |
| Unladen weight (with forks)  |         | 9690 kg                              |
| Ground clearance   | m4      | 0.43 m                               |
| Wheelbase  | У       | 2.88 m                               |
| Overall length to carriage (with hitch)  | 111     | 5.20 m                               |
| Front overhang   |         | 1.30 m                               |
| Overall width  | b1      | 2.39 m                               |
| Overall cab width  | b4      | 0.99 m                               |
| Overall height   | h17     | 2.42 m                               |
| Tilt-down angle  | a5      | 135 °                                |
| Tilt-up angle  | a4      | 12 °                                 |
| External turning radius (over tyres)   | Wa1     | 3.74 m                               |
| Standard tyres   |         | Michelin - XMCL - 460/70             |
| Drive wheels (front / rear)  |         | 2 / 2                                |
| Steering wheels (front / rear)   |         | 2/2                                  |
| Frame levelling corrector  | a9      | 7 °                                  |
| Performances   |         |                                      |
| Lifting  |         | 6.60 s                               |
| Lowering   |         | 4.70 s                               |
| Extension  |         | 9.50 s                               |
| Retraction   |         | 6.90 s                               |
| Crowd  |         | 3.70 s                               |
| Dump   |         | 2.80 s                               |
| Engine   |         |                                      |
| Engine brand   |         | Yanmar                               |
| Engine norm  |         | Stage V / Tier 4 Fi                  |
| Engine model   |         | 4TN107FHT-5SM                        |
| Number of cylinders - Capacity of cylinders  |         | 4 - 4567 cm <sup>3</sup>             |
| I.C. Engine power rating / Power (kW)  |         | 141 Hp / 105 kV                      |
| Max. torque / Engine rotation  |         | 602 Nm @1500 rp<br>9130 daN          |
| Drawbar pull (Laden)<br>Reversible fan   |         | Standard                             |
|  |         | 4 radiators (water + intercooler     |
| Engine cooling system  |         | transmission oil                     |
| Transmission   |         |                                      |
| Transmission type  |         | Torque Converter with po             |
| Gearbox  |         | M-Shift                              |
| Number of gears (forward / reverse)  |         | 5 / 3                                |
| Max. travel speed (may vary according to applicable regulations)                         |         | 40 km/h                              |
| Differential lock  |         | Limited slip differential on fro     |
| Parking brake  |         | Automatic negative park              |
| Service brake  |         | Oil-immersed multi-discs braking o   |
| Hydraulics   |         |                                      |
| Hydraulic pump type  |         | Load sensing pur                     |
| Hydraulic flow - Pressure  |         | 200 l/min - 270 E                    |
| Flow sharing distributor   |         | Standard                             |
| Tank capacities  |         |                                      |
| Hydraulic oil  |         | 141                                  |
| Fuel tank  |         | 142                                  |
| Diesel Exhaust fluid (AdBlue® type)<br>Noise and vibration                               |         | 21.50 l                              |
| Noise and Vibration<br>Noise at driving position (LpA) tested following NF EN 12053 norm |         | 69 dB                                |
| Environmental noise (LwA)  |         | 105 dB                               |
| Vibration to whole hand/arm  |         | < 2.50 m/s <sup>2</sup>              |
| Miscellaneous  |         | 2.00 11/0                            |
| Tractor homologation   |         | Tractor homologat                    |
| Safety cab homologation  |         | ROPS - FOPS cab (le                  |
